

LAP24EFR-GM

## 24 Laptop Storage Cart

Stores and charges up to 24 notebook computers and provides room on the top shelf for a work surface or for use with wireless devices. The top shelf comes with a non-slip rubber mat and features two grommet holes at the back for cord management and access to electrical units. Includes two overload protected UL-Listed, 14-outlet electrical units with on/off switches installed inside the front of the cart. Doors, rear and side panels are perforated to allow the ventilation of equipment when charging. Fully assembled.

**Please Note:** Due to electrical limitations, each electrical unit must be plugged into separate circuits and not just separate outlets.

Color: Grey.

Dimensions: 42½" W x 24" D x 40¼" H

Compartments: 12" W x 17" D x 3" H

Model LAP24EFR-GM

**DELIVERED COST: \$1722.00**
