

# MOBILE TABLES

## Mobile Bench Tables

- AmTab eliminates the typical value compromise between price and quality by delivering both!
- Torsion bar balanced mechanism
- Custom High-Speed gas cylinder stabilizer with a 15-year warranty
- "EZ-Lift" design for work safety and for ease of operation for opening and closing functions
- EZ-Autolock for use by hand from either side of the table
- 14-gauge steel and tube construction for strength and durability
- A truly well-balanced table top and bench construction for stability and sanitation with a Dyna-Rock™ or vinyl t-molding edge

Permanently Bonded  
Dyna-Rock Edge

## Mobile Stool Tables

- Torsion bar balanced mechanism throughout with high-powered, high-speed gas cylinders requires very little effort!
- A gravity lock, rod & detent locking mechanism locks the table firmly in open and closed positions and is capable of operating the table from either side
- Square stool columns eliminate stool spinning and allows easier and faster seat installation
- Stools are 14" dia. Round for extra added comfort
- Each stool seating position has its own EZ-Free entrances
- A truly well-balanced table top construction with a Dyna-Rock™ or vinyl t-molding edge

## Mobile Stool Cafeteria Table

- ¾" thick (7) layer PLYWOOD CORE with high pressure laminate top
- PROTECT- EDGE coating that surrounds the edges of the table tops to prevent trapping of food or bacteria
- CHROME 14-gauge tubular steel frame
- 13" diameter, high impact polystyrene plastic stool construction
- Units easily lift and close using torsion bar system
- All tables feature security locks when tables are partially opened & lift up casters so tables don't roll around while in use
- Safety latch for transport & storage is also standard
- 15-year warranty and UL approved for public safety
