## Forward Vision I 4-Student Workstation

The unique layout of this workstation allows the instructor to see the students, fixtures and storage areas from the front of the classroom. While typical 4 student workstations have half of the students backs and storage areas out of view of the instructor, this unparalleled workstation allows optimum visibility. The students all work from the same side of the workstation, while the storage area is on the opposite side. The solid epoxy top withstands extreme chemicals and heat.

MODEL	D" x W" x H"	DELIVERED COST
2946K	50 x 96 x 36	\$3220.76

## Stools

Our durable oak stools are available in three sizes that match our lab tables and workstations. Designed with square post legs, they have a 14" diameter seat.

5018K	18"	\$69.00
5024K	24"	74.00
5030K	30"	79.00

## Adjustable Height Table

This amazing table's height can be adjusted by one person without the use of tools in less than 30 seconds. Adjust only one end and you have an incline table for physics. Adjust to 27"H and use in elementary grades. Raise to 39"H for display work. Table adjusts in 2cm increments from 27"H to 39"H. Table boasts a 500 lb. weight capacity. The 4½"H solid oak frame with exposed metal corner braces compliment the powdercoated legs with adjustable glides. Available in four sizes with two top options, 1¼" plastic laminate or chemical resistant ChemGuard.

## Economy Mobile Lab Table

A solid oak and oak veneer mobile lab table designed for science settings. This unit features unbreakable aluminum sliding door glides and lock. High-pressure laminate top. Includes stainless steel sink and hand pump, heavy-duty 4" ball-bearing swivel casters with brakes, 25' grounded extension cord, two water bottles, connecting hoses, two 3/4" diameter upright rods, one 1/2" diameter crossbar and clamps and two fully adjustable shelves. A GFI protected AC duplex electrical outlet is built into the lab. Overall dimensions: 48"W x 24"D x 36"H.

MODEL	DESCRIPTION	DELIVERED COST
4111K	Economy Mobile Lab Table	<b>\$1015.70</b>
4000K	Optional Mirror	177.80
4001K	Optional Mirror/Marker Board	197.40

## Storage Cabinet

A compact rolling storage cabinet features solid oak and oak veneer plywood. The interior shelf allows for item storage. Available with black Plastic Laminate or ChemGuard top. Dimensions: 36"W x 24"D x 36"H.

MODEL	DESCRIPTION	DELIVERED COST
4401K	Plastic Laminate Top	<b>\$546.70</b>
4402K	ChemGuard Top	576.10

## Mobile Microscope Storage Cabinet

This unit provides a safe, convenient way to store your microscopes. The unit contains removable partitions to provide an individual space for each microscope. Ample storage space for 24 standard classroom microscopes. Dimensions: 48"W x 24"D x 40"H. Individual microscope space: 6"W x 11"D x 16"H".

MODEL	DESCRIPTION	DELIVERED COST
4701K	Microscope Cabinet	<b>\$864.50</b>

## Mobile Demonstration Table with Drawers

A self-contained demonstration center with its own water supply, waste container, stainless steel sink and hand pump, two 3/4" diameter upright rods, one 1/2" diameter crossbar and clamps. Sliding doors with a lock conceal the four drawers and storage compartment for large equipment and the water bottles which are supplied. A GFI protected AC duplex electrical outlet is built into the lab. Constructed of solid hardwood, solid oak and oak veneers with unbreakable aluminum tracks for sliding doors. ChemGuard high pressure laminate top. Dimensions: 48"W x 28"D x 36"H.

MODEL	DESCRIPTION	DELIVERED COST
4222K	Mobile Demonstration Table	<b>\$1329.30</b>
4000K	Optional Mirror	177.80
4001K	Optional Mirror/Marker Board	197.40

## Mobile Instructor's Desk

This mobile instructor's desk contains a pump, sink, storage cabinet, drawers and pull out writing board. Also includes a 21" x 28" pegboard with 50 pegs, two 2-gallon water storage bottles, 25' extension cord and a full upright set. There is a storage area for the optional mirror. Unit is made of solid oak and oak veneers. Rolls easily on 4" locking casters, that swivel. Dimensions: 28"D x 48"W x 36"H.

MODEL	DESCRIPTION	DELIVERED COST
4332K	Mobile Instructor's Desk	<b>\$1562.40</b>
4000K	Optional Mirror	177.80
4001K	Optional Mirror/Marker Board	197.40

## Mobile Laboratory Unit

A fully equipped, locking self-contained oak demonstration unit. High-pressure laminated surface with drop leaf extensions. A GFI protected AC duplex electrical outlet is built into the lab. A 25' extension cord, two tote trays, two polyethylene 2-gallon water bottles, connecting hoses, two 3/4" diameter upright rods, one 1/2" diameter crossbar and clamps, and a propane burner with stand are provided. Dimensions: 48"W x 24"D x 36"H, Extended Top: 72"W x 24"D.
